Levi's Chocolate Chip Cookies Recipe

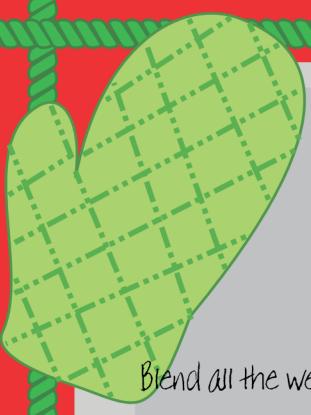

Ingredients:

1 1/3 cup of All-Vegetable shortening	1 tablespoon of vanilla extract
2/3 cup of Country Crock Spread	4 cups of flour
1/4 cup of water	3 cups of oats
3/4 cup of white sugar	1/2 tablespoon of baking soda
1 cup of dark brown sugar	2 teaspoons of salt
3 eggs	2 bags of chocolate chips (one milk chocolate the other dark chocolate)

Cookie Recipe

Levi's Chocolate Chip Cookies Recipe

Blend all the wet ingredients until it is no longer lumpy. Add the dry ingredients.

The dough is best if it sits overnight so the oats soften. We split the dough into two tubs. Before we had 6 kids, one tub would go in the freezer and the other into the fridge, now they both go in the fridge and are gobbled up in an alarming rate.

Bake the cookies at 350 degrees for roughly 12 min.
