

Hello- I've missed you and your family so much!

As you know, I am Santa's little helper, and since Christmas time is finally here (my favorite time of the year), I flew here from the North Pole to be Santa's eyes and ears. Each evening, I'll be reporting back to him how you are doing, so make sure to be on your best behavior! I know you'll be kind and good!

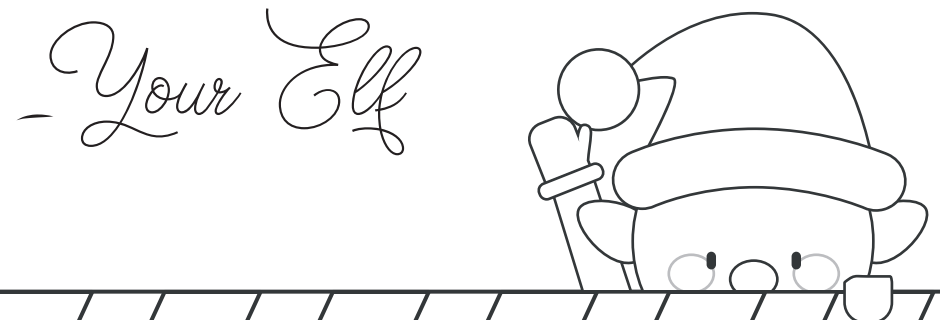

Remember this one rule: Don't touch me or I'll lose my magic!

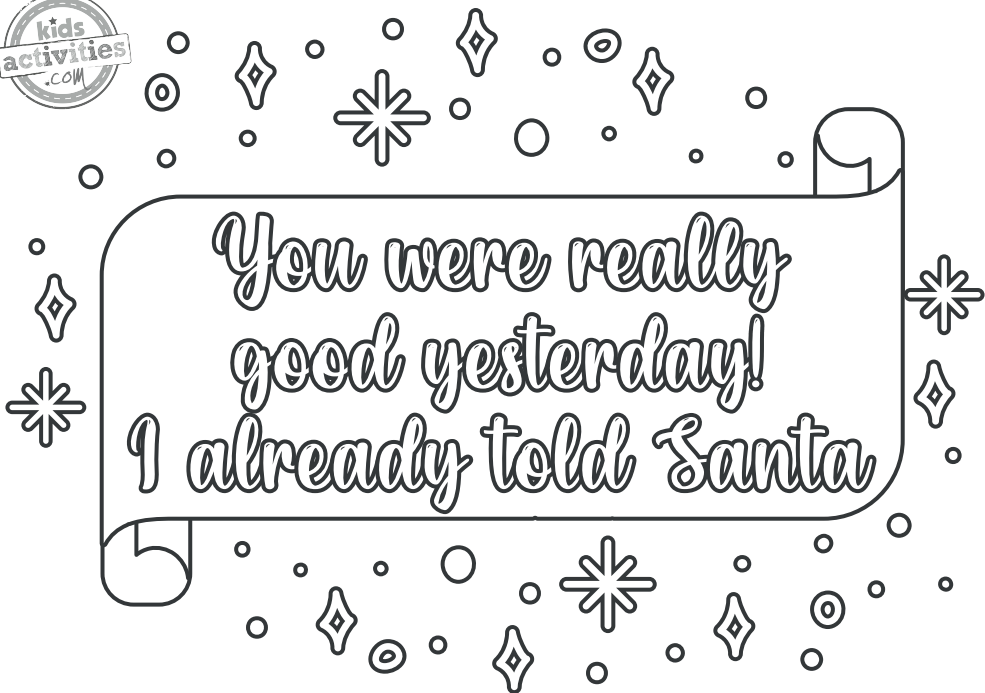

I hope you are ready for a fun and happy December!

We had so much fun these weeks, but now it's time for me to go back to the North Pole, so we must say goodbye! Even if Christmas is over, don't forget to be nice and kind all year - I know you will! I am so glad we got to spend so much time together, I've had lots and lots of fun hiding around the house and seeing you smile. I can't wait to see you again! Merry Christmas!

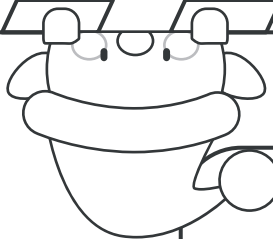

Lots of love.

Cut the cards and place them with the Elf. Also, cut out the footprints to make a steps stencil, you can use fake snow or flour to make Elf footprints all around the house.
